## ESXENCE - The Scent of Excellence

This year was different. Bologna was no longer *the* destination for niche perfumery exhibits, but Milan. From what I understand, Cosmoprof organizers's ideas clashed with those supporting artisanal perfumery, and so a separation was in order. Or a boycott, depending on whose side you're on.

And there we were, happy to switch Bologna for the more cosmopolitan Milan, with a centrally located Spazio Pelota, via Palermo 10, which was intimate, yet big enough to host all the brands and many presentations:
